

Consignor Car Seat Checklist

Circle appropriate response

Do you know the history of the car seat?	Yes	No
Does the seat have a label with the manufactured date and model #	Yes	No
Is the car seat un-expired? (i.e. has not expired yet)	Yes	No
Is the seat free from any cracks, bends or breaks?	Yes	No
Is the metal frame free from rust or bends?	Yes	No
Does the seat have all it's parts – harness straps, clips, seat covers, tether, padding, shields and bolts (where applicable)?	Yes	No
Are the harness straps free of fraying and excessive wear?	Yes	No
Are the buckle and other metal parts free of any signs of rust?	Yes	No

If you answered **NO** to any of the questions above, we **cannot** accept your seat.

If all answers were **YES**, please proceed and answer the following 2 questions:

Has the seat ever been involved in a car accident? Even a minor one?	YES	NO
Has the seat been recalled for safety defects? Please visit www.cpsc.gov or call 1-800-638-2772.	YES	NO

If you answered **YES** to either of the last 2 questions, we **cannot** accept your car seat.

TRAVEL SYSTEMS: If you have a car seat/stroller system and your car seat does not meet these safety standards, consider selling only the stroller at the sale and disposing of the car seat. Strollers sell very well and you won't have to worry about the safety of any child in regards to the car seat.

Secure the upper portion of this form to the car seat. Give the lower portion to the Little Britches staff at drop off to keep with their records.

I am the original owner of the car seat that I am selling through Little Britches Consignment Sale and verify that it has never been in an automobile accident, never broken in any way, has all it's parts, contains the identification label and is not expired. I verify that the car seat has not been recalled to the best of my knowledge and if so, it has been corrected to meet Motor Vehicle Safety Standards. I verify that the car seat has all its harness straps, clips, seat covers, padding, shield, and bolts and the locking mechanism locks securely.
